

HydraFacial MD®

SKIN HEALTH FOR LIFE™

Our skin is exposed to UVB (causes sun burn) and UVA (causes aging) rays every day. However, sun-damaged skin can be avoided or even repaired. That's why we need Antioxidants to help detox and combat free radicals, Hyaluronic Acid to restore hydration on a cellular level, and sunscreen to protect our skin every day.

Antiox™ Daily

Antioxidant Protection with Hyaluronic Acid

Restore skin health with deep hydrating Hyaluronic Acid and **protect** skin with Antioxidants, such as Vitamins A, E and White Tea Extract. Antioxidants help combat environmental free radicals which lead to aging.

ETX™ Daily

Eye Therapy X-tract for Dark Circles, Puffiness & Lines

Rejuvenate the delicate eye area with this complex of peptides, Hyaluronic Acid and Seaweed Extract.

UV Smart™ Daily

SPF 30 Broad Spectrum UVA & UVB Protection

Protect skin from environmental free radicals with this oil-free, light-feeling micronized zinc oxide based moisturizing sunscreen every day. It provides broad spectrum UVA and UVB protection which is essential to your skin health.

HydraFacial MD[®]

SKIN HEALTH FOR LIFE[™]

Skin health is not a luxury - it's a necessity!
Follow the preventive and protective
HydraFacial MD[®] skin regimen to keep
your skin healthy and naturally radiant!

DermaBuilder[™] Daily

Age-Refining Peptide Complex

Rebuild and **revitalize** your skin with age-preventing peptide complex and Pullulan to smooth the appearance of fine lines and wrinkles, improve skin tone and texture, and enhance sagging areas.

Beta-HD[™] Daily

Salicylic Acid Solution for Acne & Oily Skin

Refresh skin and **prevent** breakouts with this non-irritating Salicylic Acid blend that helps to combat excess oil and dirt build-up, while Honey Extract hydrates and soothes the skin. Top dermatologist recommended.
